ANNUAL REPORT

2022

YEAR OF HOPE

Tradition – Virtue – Excellence

Saint Mary's Catholic School Mission Statement

The mission of Saint Mary's Catholic School is to invite our students to follow the Lord Jesus Christ as faithful disciples and to prepare them for outstanding achievement in high school and later life.

Our rigorous curriculum integrates academic excellence, athletic challenge, artistic expression, and character formation in service of the evangelical mission of Saint Mary's Catholic Church and School.

Dear Family and Friends of Saint Mary's Catholic School,

Allow me once again to express my sincere gratitude to all the families, friends, parishioners, alumni, grandparents, and community members who have supported Saint Mary's Catholic School financially this past year. Through your incredible generosity, we have continued to grow and thrive despite the disruptions of our time. It is a joy each day to walk into a school dedicated to cultivating both the minds and the eternal souls of our students. We seek to equip our students with the knowledge, skills, and virtues needed to succeed in high school and beyond, especially in a world that can be so hostile to the truth of the Gospel. We couldn't succeed without your continued support, so thank you for helping us in our mission!

Saint Mary's School opened in 1900, making us the second oldest school in the Diocese of Charleston, and so the 2021-2022 school year was our 122nd opportunity to serve the families of Saint Mary's Church and the wider Greenville community. We continue to see success in every area of school life: our enrollment, our academic and athletic achievements, the skill and experience of our faculty and staff, the quality of our campus and facilities, and the enthusiasm and support of our families.

Last year our Annual Fund raised \$42,986 to provide tuition assistance to families in need, particularly those facing financial hardships; our annual Gala and Golf Classic together raised \$197,500 towards the construction of a second gym; and our PTO raised over \$24,000 to support our teachers and to provide fun social events for our students. Thank you for this tremendous generosity!

The 2022-2023 school year promises to be another great success. Last June we successfully completed our accreditation renewal, which gave us a wonderful opportunity to reflect on our school's strengths and identify opportunities for growth and expansion. So, please plan to join us for the **Saint Mary's Gala on 11 March 2023**, and for the **35th annual Saint Mary's Golf Classic on 2 June 2023**. For more information about either event, please contact gala@stmarysgvl.org or golf@stmarysgvl.org. We can't wait to see you there!

Thank you for being a part of the Saint Mary's family. May God bestow upon you and your loved ones every grace and blessing for your generosity and charity.

In Our Lady of the Sacred Heart of Jesus,

Father Jay Scott Newman, VF
Pastor

WHAT'S NEW AT ST MARY'S THIS YEAR

God be praised for the blessings bestowed on the students, faculty, and staff of Saint Mary's Catholic School in this past academic year. We saw continued growth in our enrollment, substantial support for the Saint Mary's Gala and the Golf Classic, and continued improvement in our facilities and classroom technology.

Our \$7 million parish capital campaign continues, and thanks to the generous donations of our parish and school families, construction will soon begin on an expansion to our campus athletic facilities that will benefit both church and school. The new practice gym will first be used by the parish for daily and weekly mass during planned renovations to the church interior, and the new gym will also allow the school to expand our athletic offerings and serve as the host school for league and diocesan tournaments.

Our annual gala and golf tournament were an incredible success. Because of this success, we were able to purchase a new class set of iPads with a mobile charging and storage cart for our kindergarten classroom in honor of Mrs Adeline Garrison, former kindergarten teacher and school nurse at Saint Mary's Catholic School from

1963 to 1989. Over the summer, we were able to remove unused radiators from half our classrooms in Mercy Hall, opening a few extra feet of space for our teachers to utilize. And additional funds from these two projects will help with the construction of the new gym.

The 2021-2022 school year concluded with 322 students enrolled at Saint Mary's Catholic School, and the 2022-2023 school year began with a few more. This is an increase of over 20% from four years ago, and many of these students are able to attend Saint Mary's only because of the financial assistance provided by our Annual Fund. Over 10% of Saint Mary's students receive tuition or emergency assistance, and thanks to your donations, families facing financial hardship can remain at Saint Mary's School and continue to enjoy the benefits of a rigorous Catholic education.

The incredible growth we have experienced over the past five years is a testament to the strength of our Catholic identity, to the clarity of our school mission, to the quality of our academic, athletic and artistic programs, and to the talent and hard work of our entire faculty and staff. Most of our new parents discovered Saint Mary's from hearing about us directly from our long-time families and alumni, and we encourage you to continue to spread the good word about Greenville's oldest private school. We extend our deepest gratitude to everyone who is part of our school community, and we are truly grateful for your generous support which enables Saint Mary's Catholic School to fulfill our mission of providing the highest quality education rooted in Tradition, Virtue, and Excellence.
